

IIM Rohtak celebrates its 10th Foundation Day

Indian Institute of Management, Rohtak celebrated its 10th foundation day on 16th November 2018 in its sprawling 200 acre campus. On this day, the institute rejoiced its decade-long journey.

IIM Rohtak has designed several new courses aimed at the development of aspiring managers as well as working executives in recent years. This year IIM Rohtak became the first and only management institute to launch a world class post graduate program in sports management. Also, IIM Rohtak has introduced a cutting edge 1 year post graduate for working executives this year. Institute is also going to launch various new programs for the different working groups. IIM Rohtak rejoiced that it is among top 5 IIMs in research and stand 2nd in faculty research productivity among IIMs. This year it also was awarded the Best Business School in Research and Innovation by IDA which is a testimony to this fact.

In the last ten years, IIM Rohtak has internalized the virtue of giving back to the society. Institute has launched several initiatives that actively work towards the development of the underprivileged. This year it was awarded the Best Business School in Research and Innovation by IDA which is a testimony to this fact.

To commemorate the event, students of the institute organized an engaging and informative event. Prof. Dheeraj Sharma, Director IIM Rohtak addressed the audience with the analogy of Mauryan times. He said, "In the times of Mauryan period, there used to be community ownership of property. The ownership of material assets was with the community but the benefits of the assets were enjoyed by the entire society. Hence, when students graduate they leave behind the material assets but take with the ethos of institute which will continue to generate revenue for students for years to come." He also said that IIM Rohtak students called themselves KATHORS and KATHOR stood for keepers of tradition, ambition, thoughtfulness, honesty, organization, and righteousness.

Mr. Prabhat Singh, Managing Director, Petronet LNG was the chief guest for the occasion. He appreciated the practical efforts of IIM Rohtak in the field of management and gave important insights on the Hydrocarbon industry. "I belong to the age of baby boomers, where the resource was always scarce. However, the wastage now is being utilised and this will lead to an abundance of resources. A millennial have abundant resources and they should take advantage of this. The progress, as a result of this, would be geometric.", said Mr. Prabhat Singh.

The students of IIM Rohtak also organized a cultural event which included dance, poem, drama on social issues, and a band performance. The event was concluded with the national anthem.

IIM Rohtak, the top management institute in the country, is the only IIM in the Delhi-NCR region. IIM Rohtak is a benchmark of management education in India. The institute aims to build the leaders of tomorrow by organizing various events like these to polish the skills of the students and keep them updated about the current trends in the industry, hence bridging the gap between industry and academia.
